

# SDDOT

## Public Involvement Plan

### WHAT'S INSIDE?

#### LAWS AND POLICY

This section provides a basis for understanding SDDOT's public involvement process. This includes federal legal requirements and state legal requirements.

#### LEVELS OF PUBLIC ENGAGEMENT AND COMMUNICATION TOOLS

To maximize public participation, SDDOT has identified tools required for each level of public engagement.

#### INITIAL AND SPECIFIC CONSIDERATIONS

Public engagement is crucial for transportation actions to ensure outcomes are in the best interest of those who will be most impacted – the traveling public. Additional federal requirements that pertain to SDDOT and program-specific engagement considerations are summarized.

#### OUTREACH TOOLS AND TECHNIQUES

An expansive array of tools and techniques for public involvement exists to consider and use as appropriate for all manner of SDDOT actions.

#### APPENDIX

The appendix provides a wide range of supplementary information providing supporting data and documentation.
