AND

---

This Agreement is entered into on this date \_\_\_\_\_ between the  
YANKTON SIOUX TRIBAL EMPLOYMENT RIGHTS OFFICE (TERO) and  
\_\_\_\_\_ (Employer) with respect to  
employment practices on projects within Indian Country used and occupied by the Yankton  
Sioux Tribe on Project Number \_\_\_\_\_ .

1. EMPLOYMENT PRIORITY

The TERO Director will be given at least forty-eight hours' notice to locate and refer a qualified Indian applicant for any vacancy or new position except when circumstances require that the position be filled within a shorter period of time. If the TERO Office is unable to fill a vacancy, an Employer may recruit and hire workers from whatever sources are available to the contractor and by whatever process the contractor so chooses, provided that the contractor will notify TERO of any job vacancies, positions, or any negotiated positions. The Tribal TERO office will use its Job Skills Bank to assist the Employer in meeting the stipulated hiring goal for this project.

TERO will maintain a Job Skills Bank, listing available resident Indians by job classification based on skill level as indicated on their TERO application to be used to fill job vacancies, new positions, or any other negotiated position under this Agreement.

Employer agrees to consider hiring, either for a job vacancy or new positions all available local Indians and Indian applicants who meet pre-employment standards.

2. PRE-EMPLOYMENT STANDARDS

For the purpose of this Agreement, pre-employment standards are those directly job related standards of fitness and ability which indicate that with a reasonable amount of job training a person would be capable of satisfactorily performing entry job as well as jobs at a higher level which, with a reasonable amount of further training, are normally filled by progression from the entry job. This provision applies to those persons who, at the time of application for employment, are not fully qualified for the available job but have general potential of becoming qualified through a reasonable amount of training.

Employer will not use qualifications, criteria, or other personnel requirements as barriers to Indian employment except where such criteria are required by business necessity. Employers will have the burden of showing that such criteria or requirements are required by business necessity.

3. TRAINING AND SALARY

The Employer agrees that all local Indians and Indian employees will be adequately trained for the position for which they are hired. The Employer will evaluate all Indian employees and pay Indian employees in accordance with current employer company policy and contract provisions.

4. DISCRIMINATION

There will be no discrimination in wage rates, fringe benefits, hiring, or for other employment related activity on the basis of race, color, creed, age, sex, national origin, disability, or religion.

5. EMPLOYMENT GOALS

The Employer agrees Indians will be given preference for at least fifty percent (50%) of the project work force provided that sufficient qualified Indian applicants are available. The phrase "work force" will not include "core crew employees". The Employer will consult with the Tribal TERO officials to locate qualified applicants for those positions.

The Employer (Prime Contractor) agrees to require that subcontractors meet the Indian preference in employment requirements as specified in the preceding paragraph.

Nothing in this Agreement will be construed to interfere with the Employer's ability to dismiss any employee for cause including, but not limited to, lack of adequate skills or training, inability to perform by virtue of state of federal law, or breach of the contractor's standards of conduct.

6. EMPLOYMENT RIGHTS FEE

The Employer (Prime Contractor) will pay a TERO fee of three percent (3%) of the total contract dollar amount in accord with the following (check one):

- The parties agree the fee will be paid in \_\_\_\_\_ payments of equal amounts of \$ \_\_\_\_\_ over the life of this Agreement. The last payment will be due no later than \_\_\_\_\_ and will be adjusted to reflect any increases or decreases in total contract amount due to change orders or other contract changes.
- The parties agree the fee will be paid in amounts of three percent (3%) of progress payments received from the State of South Dakota over the life of this Agreement. The last payment will be due no later than 10 days following the final payment from the State of South Dakota and will be adjusted to reflect any increases or decreases in total contract amount due to change orders or other contract changes.
- The parties agree if the TERO fee is less than \$5,000.00 it will be paid in a lump sum payment due at the time the compliance plan is completed. The contractor may opt to pay a lump sum for fees over that amount by checking this option of payment. Any adjustments to reflect any increases or decreases in the total contract amount due to

change orders or other contract changes will be due no later than 10 days following the final payment from the State of South Dakota to the contractor.

This fee will be made payable by check to the Yankton Sioux Tribal Employment Rights Office.

10. EMPLOYMENT POLICIES AND PROCEDURES

It is further understood that the Employer recognizes that all or a part of its operations are taking place within a unique cultural setting within the community of the Yankton Sioux Tribe. Employers will consider and take into account Tribal Holidays and other cultural customs so as to promote rather than hinder the employment of Native Americans on the project.

11. LAYOFFS

If a layoff is required, the Employer will conduct a layoff consistent with its obligations under Section 5 of this Agreement. Any layoffs must be justified by business considerations.

12. PRIME RESPONSIBLE FOR COMPLIANCE OF SUBCONTRACTORS

13. JURISDICTION

It is the intent of all parties that this Compliance Plan be implemented on a cooperative basis without regard to jurisdictional issues. The parties agree that nothing in this Agreement will prevent the Tribe, the Department, or any contractor from instituting any litigation pertaining to any jurisdictional issue with regard to the employment rights code or any other matter.

Nothing in this Agreement will be construed to constitute recognition of or denial of the status of any particular piece of land as "reservation" as defined by 18 USC 1151(a), or as "Indian country" as defined by 18 USC 1151(c). The Tribe and the Department agree that the question of the status of the lands involved in and adjacent to this projects under 18 USC 1151 is in dispute and do not intend that anything herein will be offered in or will affect the outcome of any litigation on that question.
