

WINTER SAFETY AWARENESS MESSAGE

**Be smart this winter,
allow extra travel time,
reduce your speed, be
patient with others, and
don't forget to buckle up!**

WINTER SAFETY AWARENESS MESSAGE

When road conditions are not ideal, always accelerate gradually and avoid abrupt steering maneuvers that could cause you to slide!

WINTER SAFETY AWARENESS MESSAGE

Watch for black ice on bridges, overpasses, and on/off ramps. Leave plenty of room between vehicles as you drive!

WINTER SAFETY AWARENESS MESSAGE

Snowplows often run in conditions that are too severe for the average motorist. A plow on the road is not a sign that it is safe to travel!

WINTER SAFETY AWARENESS MESSAGE

Before venturing out onto snowy roadways, clear the snow from all the vehicle's windows and lights, including brake lights and turn signals!
